

# GASSER NATS NORTH!

## June 6-7: Hunnert Heads Up/Gasser Magazine Nationals North

Gasser Magazine again invades Great Lakes Dragaway for the Hunnert Car Heads Up event. This event is a lot of fun and racing at the Grove is great! We had an awesome time last year and looking forward to another great event. Changes to this year's event will make it a 2-day event with the bulk of the racing on Saturday. Test and Tune on Friday and Saturday morning, then a drivers meeting at 11am. The fun starts at noon with mini-bike drags!

The Gasser Nationals North will start at 12:30pm. Racing will be sportsman tree dial in to the nearest tenth. All gassers can enter. At 5pm the heads up racing starts and is a round robin race with the fastest car winning. The round robin style evens the field and everyone has a chance to win! Bands at night and a beer garden right next to the track! This is a great event at a great facility!
